Greetings friends,

I have exciting news on an adventure the Lord is calling A Warrior's Stance, AWS, to travel on and minister to the lost. We will be leaving October 8th to drive to Washington DC. to be a part of a mission trip which will be spreading the gospel and reaching hundreds with a focus on the Jews. **1 Peter 4:10: "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."** God is paving the way for us to participate in an end time biblical statement. We will be displaying the pure Hebraic outline of scripture by declaring His praise in dance, shofars, drums, flags, and wagon floats of truth. We will be marching at the Mall in DC displaying His glory and using many of the gifts He has imparted to us for this outreach, mission trip. There will be other ministry organizations participating with us and the event is led by Sion Rose Ministry.

Mission statement of Sion Rose, **"dedicated to teaching the full counsel of God, giving a clear emphasis to the Hebraic roots of the New Covenant. We declare the following truths of our Hebraic Heritage providing scriptural evidence to the only true and Living G-d, and His Holy Son, the Messiah of Israel, Savior of all Nations."**

This mission trip is a prophetic fulfillment given to Sion Rose many years back and now we are honored and called to be a part of this prophetic proclamation in bringing this into fruition in the District of Columbia. You too may be a part by sowing seed into AWS and helping me financially on this mission trip.

Excitement bubbles up in my spirit as I write and unfold for you what is about to transpire. I am confident my words are barely describing what God is about to display in DC on Saturday, Oct 8th. War has already been declared in the heavenly's as the city tried to declare a shutdown starting the week Johnathan Kahn is going to DC. His purpose is to decree a time of repentance for the city and land which proceeds our time displaying Gods glory through a glorious processional.

I am asking you to partner with me in prayer. All the combined ministries need prayer coverage leading up to our departure for the move of God in our Nation's Capital. I would also appreciate your financial support, prayers during and a week or so after this mission. Please participate in the way the Spirit leads you. As I type I am reminded by the Holy Spirit that this will better prepare me for the vision I have had for the streets of Camden, SC of a unified march for Christ. More details on this when God allows.

We, AWS, appreciate you greatly. **Psalm 121:8: "The Lord will watch over your coming and going both now and forevermore."** I am asking you if you will be part of the Lords hands to cover us and send us off?
